

## 2021 MRE-C<sup>3</sup> – Mathematics Research Experiences in Community Colleges Conference

**Friday, May 21, 2021**

**4pm–6pm via Zoom**

Please, register in advance for the conference:

<https://tinyurl.com/2021mrec3>

### Organizers:

- ⇒ M. Helena Noronha, CSUN
- ⇒ Eddie Tchertchian, LA Pierce
- ⇒ Sheri Lehavi, LA Pierce
- ⇒ Dana Clahane, Fullerton College
- ⇒ Jonathan Brown, Bakersfield College

Do you know what mathematical research is? Would you like to be a college professor? How about have a successful career in the private sector? If you are a community college student who likes mathematics or statistics and wonder what you can do with a degree in the mathematical sciences, join us for this one-day conference!

The **2021 Mathematics Research Experiences in Community Colleges Conference** will showcase mathematics research conducted and presented by California Community College students. The conference includes a student panel on mathematics research and careers, and presentations on opportunities for mathematics students.
